Talks

It is not easy to know what the membership wants in talks and always a big task to find speakers, thank you to all those who have helped in this respect.

Are you generally happy with the talks on a Monday night. Yes/No

Is there any subject you would like a talk on (if the club can arrange it).

Can you give a talk to the club? If so, on what subject? (any subject considered)

Do you know anyone you know who could give a talk?

Any other suggestions for Monday nights?

SPS Annual trip

Have you been on any of the trips?

If not, anything put you off or other commitments?

Anywhere you would like to go?

How long for?

What time of year?

Please return form to John Orrells either in person or email to spss@orrellsphoto.co.uk
